FROM: David Cummins, Program Director, Peanut CRSP
SUBJECT: 1996 Annual Report and Publications Listing

Enclosed are the two Subject documents. The Annual Report covers accomplishments to the end of the past grant DAN-40480-G-00-0041-00. Future Annual Reports will have the new grant number.

The Publications Listing is complete to the best of our records through September 30, 1996, the end of the past grant in the above paragraph.

Should you have questions, please let me know.
